

# FURKAN SENYUZ

## Civil Engineer | 10+ Years of Project & Tender Management Experience

- **Specialization:** International Tender Preparation, Technical Office Management, and Project Controls for large-scale infrastructure projects.
- **Project Scope:** Proven success in the lifecycle of complex highway and bridge constructions with budgets exceeding €1 billion.
- **Core Skills:** End-to-end tender preparation (BOQ, Costing), FIDIC Contract Management, Claim Management and advanced Project Controls using Primavera P6, TILOS, and Power BI.

## EXPERIENCE

### Technical Office Chief | Tasyapi Construction | Kuzmin, Serbia | March 2024 – Present

*Kuzmin-Sremska Raca Highway (€ 345.000.000)*

- **Technical Office:** Managing all interim payment certificates (IPC) and contract administration.
- **Project Controls:** Developing claim management programs in **Primavera P6** and delivering progress reports.

### Tendering & Project Management Specialist | Tasyapi Construction | Belgrade, Serbia | August 2021 – March 2024

- **International Tendering:** Prepared end-to-end tender documents (BOQ, Costing) for projects in **10+ countries**.
- **Project & Contract Management:** Managed project controls (claims, budget, planning) and oversaw **FIDIC Yellow Book 1999** contract administration.

### Planning & Cost Control Chief | Fernas Group of Companies | Aydın, Turkey | January 2021 – August 2021

*Aydın-Denizli Motorway (€ 1.139.875.000)*

- **Master Planning & Reporting:** Created the master project plan for all major works using **TILOS** and established all project reporting systems.

### Technical Office Chief | Limak Group of Companies | Çanakkale, Turkey | August 2019 – December 2019

*Malkara-Çanakkale Motorway (incl. 1915 Çanakkale Bridge)*

- **Department Establishment:** Established the technical office department from scratch, including all reporting and site tracking systems.
- **Master Planning:** Created the master plan for earthworks, structures, and pavement sections of the project.

### Planning & Cost Control Engineer | Limak Group of Companies | Kocaeli, Turkey | January 2018 – August 2019

*Northern Marmara Motorway (\$ 500.000.000)*

- **Advanced Planning & Analysis:** Developed detailed schedules for critical activities (tunnels, prefabricated beams) and identified key resource constraints.
- **Cost Engineering:** Calculated unit costs, material requirements, and profit margins using **Microsoft AX (ERP)**.
- **Progress Management:** Managed progress payments for all steel bridge constructions.

### Site Chief & Civil Engineer | Mat Yapi Group of Companies | Istanbul, Turkey | December 2016 – January 2018

*10,000 m<sup>2</sup> Residential Construction (100 Residences)*

- **Site Management:** Organized all on-site operations and implemented **Earned Value Management (EVM)** for performance tracking.
- **Technical Design:** Designed the slope stability plan for a 10-meter-deep excavation.

---

## EDUCATION

**MSc, Geotechnical Engineering** (%100 English) (Dissertation Stage) | Mugla Sitki Kocman University, Turkey | 2016 – Present

**BSc, Civil Engineering** (%100 English) (Graduated a Semester Early) | Mugla Sitki Kocman University, Turkey | 2011 – 2016

**Erasmus Program:** West Pomeranian University of Technology, Szczecin, Poland | 2015

---

## CORE COMPETENCIES

- Tendering & Cost Estimation
  - Project Planning & Scheduling
  - Cost Control & Budget Management
  - FIDIC Contract Management
  - Claim Management
  - Progress Payment & Reporting
- 

## TECHNICAL SKILLS

- **Project Management:** Primavera P6, Tilos
  - **Data & ERP:** Python, Power BI, Microsoft AX, MS Office with Macros
  - **Engineering & Design:** AutoCAD 2D, Plaxis, Revit
- 

## CERTIFICATIONS & TRAINING

- Python for Everybody | *Michigan University*
  - International Construction Contracts and Claim Management (FIDIC) | *Istanbul Technical University*
  - The Arbitration of International Disputes | *Leiden University*
  - TILOS – Advanced & Basic Training
  - Primavera P6 – Advanced & Basic Training
  - Cost and Contract Management
- 

## LANGUAGES

- **Turkish:** Native
- **English:** Advanced (C1)
